

GOUR MAHAVIDYALAYA, MANGALBARI, MALDA

: Institutional Distinctiveness:

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust:

Response: Being the premier Institution in semi-urban area dominated by S.C., S.T. OBC-B, and Minority students (52%) the College has a particular mission of mainstreaming such of peripheral and marginalised sections of the society by empowering them through education, training and counselling. Forty percent of the total students of the college are girls who come from far flung villages. The vision of the college is to empower them through proper education and counselling so that they can fight gender bias in society and as conscious citizen of the country contribute in nation building. Quality education is impossible without innovative technology, because traditional methods are cumbersome and slow and the new generation requires high speed that can be achieved only through latest technology. There are virtual and smart class rooms. 49% faculty members have been using ICT in teaching and learning process. The College has provided at least one computer with internet connection to each department and office staff. Students and faculty members can access internet. Students have myriad opportunity to participate in seminars, project works, exhibition, debate and quiz competition, games and sports and outreach programme or extension activities. Seminars, special lectures and workshops are held regularly. One of the objectives is to develop the moral character of the students through community service and establish a linkage between the college campus and village community. The other objective is to implement service learning technique through community service. Community service programme provides a link between the college and the rural society. Service learning is a set of techniques and tools that can strengthen community relationship. Faculty members and students participate in outreach programme. We promote extension activities with an aim to updating knowledge of the volunteers and keeping up a close and healthy relationship with the community. They have learnt how to utilize their knowledge in finding solution to individual and community problems. It has helped to develop skills in mobilizing community

participation. This programme has helped to develop their moral character and civic responsibility.

The extension activities are carried out through the following units: (1).Outreach programme committee.(2)N.S.S. unit-1(volunteers -100-Sri Rakesah Sarkar, Programme Officer);N.S.S. unit-11(Volunteers-100,Sri Arup Roy, Programme officer),(3).Beautification committee,(4).Eco- club. Adopted village: Bhabuk, Old Malda block, Malda .

Our environmental ethic is to make the College campus more sustainable and eco- friendly. A Green campus is a place where environmental friendly practices and education combine to promote sustainable and eco- friendly practices in the campus. Green campus is holistic aiming to make environmental awareness and action an intrinsic part of the life and ethos of educational facilities. Many gardens including Medicinal plants garden have been established. Being surrounded by lush green lawns, field ,all buildings present a picturesque look which not only provide aroma but also ease long working hours with lesser work stress. The Students and faculty members have perceived the importance of environmental enrichment programme. This programme has sensitized student community about environmental protection and sustainability. It may be noted that as per the UGC guideline, 'Environmental Studies' is a compulsory paper for all the students of B.A., B.Sc. and B.Com.(3rd year) courses.
