

Gour Mahavidyalaya, Mangalbari, Malda

BEST PRACTICES'

1.7.2019 o 30.6.2020

BEST PRACTICE(1): ANNEXURE-IX

Gour Mahavidyalaya, Mangalbari, Malda, has a mandate of relevant issues such as adoption of ICT tools to ensure quality education, dynamic administrative work and generate environmental consciousness and sustainability. Quality education is impossible without innovative technology because traditional methods are cumbersome and slow and the new generation requires high speed and wants to go beyond imagination that can be achieved only through latest technology. The College has partly adopted ICT enabled e- governance. Principal's room, office, each department and the Library have computers fitted with printers. The entire network of the Office has been connected to a single server under a master administrative control. The College Office and the Department of Computer science have been interconnected by LAN. Many records are maintained in an electronic format. Electronic products, software and accessories are bought for the up gradation of the existing technological infrastructure. The College has installed different software for on line admission, salary and P.F. transfer, maintenance of accounts, collection of fees and other activities like E- tender. The College has provided photocopier machine and LCD projectors. The Institution has provided at least one computer with internet connection to each department and also to the office staff. Electronic products, software and accessories are bought for the up gradation of the existing technological infrastructure. LIBSYS is being used for Library automation. INFLIBNET, E- books from Taylor and Franchise group and JSTOR are available. Faculty members, members of the non- teaching staff and students can access the internet facility.

Technology Up gradation(1.4.2019-31.3.2020)

Type	Total Computers	Computer Labs	Internet	Browsing Centers	Computer Centers	Office	Departments-Computers	Available band width(MGBPS
Existing	70	3	Yes(14 points)	2	NIL	11	53(1).2MBPS- 2;(2).1.5MBPS- 2;(3).1-IMBPS- 17.....
Added	53	-	-	-	NIL	10	43	1-MBPS- 2(5.4.2019)
Total	123(+Laptop-322)	3	yes	2	NIL	21	96	1).2MBPS- 2;(2).1.5MBPS- 2;(3).1-IMBPS- 19.....

Bandwidth available:

(1).2MBPS-2;(2).1.5MBPS-2;(3).1-1MBPS-19

(a). Internet: There are 14 points and 2 browsing centres. The Institution has provided at least one computer with internet connection to each department and also to the office staff. Students, Faculty members and members of the non-teaching staff get information smoothly.

(b). College website: www.gourmaha.org.in:- The College website has been beautifully designed with high-definition visuals by the experts under the guidance of ICT committee. The College Website is a primary means by which prospective students learn about Institution. Students, guardians and stakeholders gather information from college website and take decision regarding ward's admission. The text and images that appear on website provide students and guardians with their first and only institutional impressions, the messages the website conveys are incredibly important. gourmaha.org.in provides all in formations related to college history, vision, mission, prospectus, online admission process, fees structure, intake capacity, faculty position, non-teaching staff position, activities of the IQAC, Academic calendar, Syllabus, Question papers of the previous year, publications by faculty members, Departments, Faculty profile, Students feedback form and analysis, Teachers feedback form and analysis, Employers feedback form and analysis, Parents feedback form and analysis, Students satisfaction survey form and analysis, Alumni feedback form and analysis, Hostel accommodation, events, photo gallery, notice, magazine, service by Library, role of different committees, research activities, activities of career and counselling cell, N.S.S., games and sports, Stipend/scholarship, Gender Sensitization and Sexual Harassment prevention Cell, Anti-ragging committee, achievements in different fields and many others like results. With a website as sleekly designed, informative, interactive, and easy to navigate, it's no surprise that Gour Mahavidyalaya has snagged one of the best spots for admission.

(c). College App: The College has launched Gour Mahavidyalaya App on 28.5.2017.

(d). Notice board: There are 9 notice boards for circulation of notice. Our staff post notice and result sheet. Having a notice board in the office can be one constructive method of promoting important information to a large number of people, but it can also be interactive and exciting to use. Notice boards can change the way we communicate with each other in our offices and can create a sense of being part of a community within the office. It allows employees to actively see that there is an issue that needs to be dealt with immediately.

(e). HRMS software based online salary, P.F. transfer, and e-pension: Each module performs a separate function within the HRMS that helps with information gathering or tracking. HRMS modules assist with: * Managing pay roll. * Gathering, storing, and accessing employee information. * Text message related to salary, P, F transfer. * e-pension.

(f). The College has introduced e-tender system. Electronic tendering ("e-Tendering") is a process for sending and receiving tenders by electronic means. E-Tendering has potential benefits for both authority and vendor: a. Reduced costs - No postage and printing for tenders to be sent to us. b. Speed - Using the service means we will be able to shorten tendering periods for tenders, eliminate postage delays and rapidly disperse tender returns for evaluation, so providing faster decision-making. c. Peace of Mind - Eliminates worries regarding timely delivery of documents against a deadline by giving instant delivery. d. Efficiency - Enables tenders to be created, exchanged and stored electronically. Secure access anytime, anywhere; from any computer with Internet access. e. Immediate e-mail notification of bidding opportunities.

f. Access to bid documents online. g. Ability to see what government organizations are using the system. h. Transparency (g). Message through Mobile: SMS is omnipresent because it reaches the recipient everywhere. Bulk SMS literally means to reach a large number of recipients instantly through SMS. WBFM informs staff about salary and P.F. transfer through SMS.

(h). Prospectus: College Prospectus is one of the means by which prospective students learn about

Institution of higher education. . Information about college history, vision, mission, intake capacity, the process and criteria for admissions, faculty position, research activities, different facilities, any reservations or quota for any category, the eligibility criteria for these reservations/quotas, certificate required for seeking admission under these is stated clearly in the Prospectus.

(i).Online admission process has several steps one after another-a. Online notification.b.online form fill up c.automatic generation of merit list .d.e-counselling.e.verification.f.registration

Innovative processes adopted by the Institution in teaching and learning include(a). Virtual laboratories,(b). Virtual class room, (c).use of ICT tools and online ,offline class:

MCQ

DC1 and DC2

1. When a disease occurs in a very irregular manner or in a few instances it is called. 2 points

- Endemic
- Sporadic
- Pandemic
- Epidemic

2. Phytoalexins are produced by 2 points

- Host plant
- Pathogen
- By both
- None

MCQ

- Penicillium chrysogenum*
- Aspergillus nidulans*
- Ascobolus viridis*

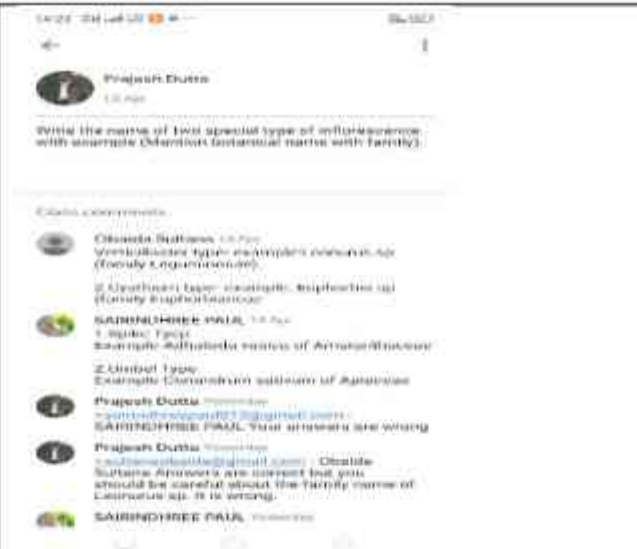

4. Uredospores are found in 2 points

- Primary host
- Alternate host
- In both (a) and (b)
- None of the above

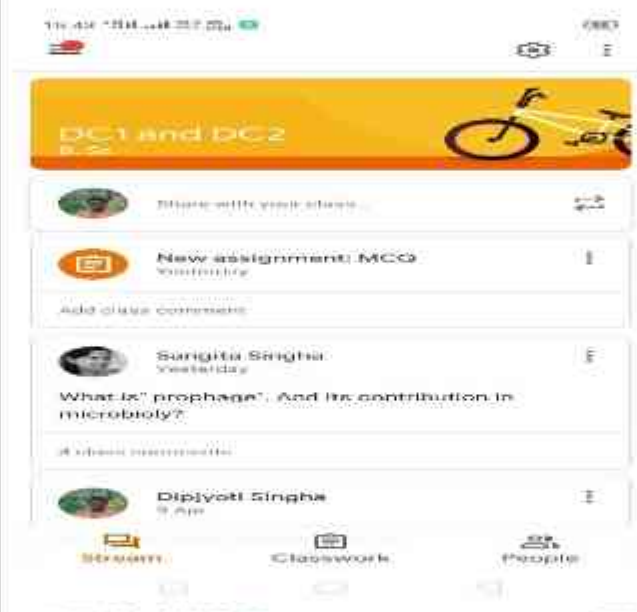

5. Which of the following does not help in N₂ fixation 2 points

- Oedogonium*
- Anabaena*
- Nostoc*
- Cylindrospermum*

30.4.2020

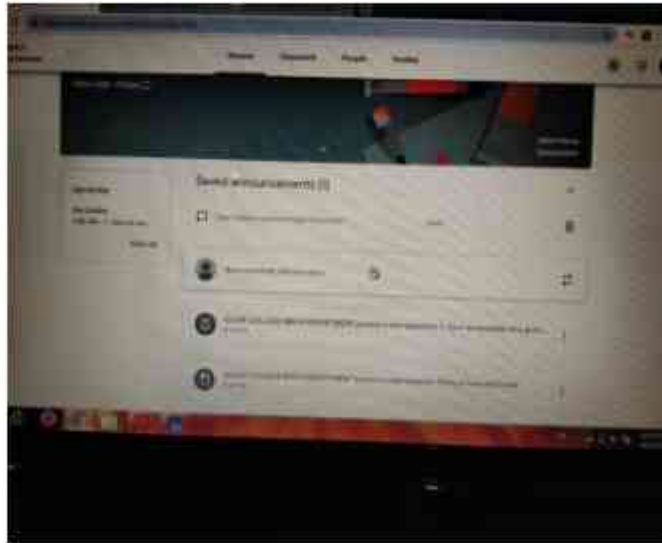

(4.5.2020)

(Food and Nutrition: : Jhimli Banerjee,Guest Lecturer: WhatsApp Group and Sharing study materials :12.5.2020)

Mathematics: Screen Shot

(Mathematics:Sri Rakesh Sarkar,Assistant Professor: Google Class Room: uploading and sharing study materials: Date: 2.4.2020 onwards)

(Mathematics:Sri Rakesh Sarkar,Assistant Professor: Google Class Room: uploading and sharing study materials: Date: 11.4.2020 onwards)

Physics: Screen Shot

(Physics:Whatas App group: uploading and sharing study materials: Dr.Anirban Roy, Assistant Professor in Physics: 3.4.2020 onwards)

Zoology: Screen Shot

(Zoology: Dr.Soumik Agarwal,Assistant Professor: WhatsApp Group : uploading and sharing study materials:Date:28.3.2020 onwards)

The College has partly adopted ICT enabled e- governance to ensure timely, efficient and progressive performance of academic, administrative and financial tasks. It has ensured quality administrative work and online academic activities.

BEST PRACTICE: ANNEXURE-X

The institution displays sensitivity to issues like environmental issues and sustainability.. We have adopted friendly practices and takes necessary actions such as – energy conservation, rain water harvesting etc.Our environmental ethics is to make the College campus more sustainable and eco- friendly. A Green campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. Green campus is holistic aiming to make environmental awareness and to

act as an intrinsic part of the life and ethos of the Institute. Green campus endeavours to extend learning beyond the class room to develop responsible attitudes and commitment both at home,village and college campus or in the wider community. Many Gardens have been developed:(1). Flower Garden(No.1):372"-922".(2). Flower Garden(No.2):511"-517".(3). Flower Garden(No.3):508"- 119".(4). Flower Garden(No.4):385"-415".(5). Flower Garden(No.5):.237"-294".(6). Garden of Medicinal plants:662"-116".(7). Garden of Medicinal plants(No.2):610"-1189".(8).Garden in front of Library.(9). EX-situ conservation garden(NO.1),(10). Herbarium(NO.1)(11). Arboretum. (12)Rain water harvesting plant and (13)Solar power energy plant have been established. There is a pressing need to accelerate the development of advanced clean energy technologies in order to address the global challenges of energy security, climate change and sustainable development. In today's scenario solar power is one of the best solution to overcome the energy deficit in the World. The generation of solar power does not have any adverse effect on the environment. The plant provides substantial cost savings on the power consumption for the college. One of the biggest challenges of the 21st century is to overcome the growing water shortage. Rainwater harvesting has thus regained its importance as a valuable alternative or supplementary water resource. Green campus initiative helps to create environmental awareness. Students and teachers have shown responsible attitudes and commitment to the environmental enrichment. There are two NSS Units in the institution .A village named Bhatra,Sahapur,under Old Malda block has been adopted by the NSS Units in order to uplift the condition of the marginalized people residing there. We believe that our best practices' are relevant within the institutional context as well as greater world.
