7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practices-1-Quality education is impossible without innovative technology because traditional methods are cumbersome and slow and the new generation requires high speed and wants to go beyond imagination that can be achieved only through latest technology. The College has partly adopted ICT enabled e-governance. Principal's room, office, each department and the Library have computers fitted with printers. The entire network of the Office has been connected to a single server under a master administrative control. The College Office and the Department of Computer science have been interconnected by LAN. Many records are maintained in an electronic format. Electronic products, software and accessories are bought for the up gradation of the existing technological infrastructure. The College has installed different software for on line admission, salary and P.F. transfer, maintenance of accounts, collection of fees and other activities like Etender. The College has provided photocopier machine and LCD projectors. The Institution has provided at least one computer with internet connection to each department and also to the office staff. Electronic products ,software and accessories are bought for the up gradation of the existing technological infrastructure. LIBSYS is being used for Library automation. INFLIBNET, E- booksfrom Taylor and Franchise group and JSTOR are available. Faculty members, members of the nonteaching staff and students can access the internet facility. (a). Internet: There are 14 points and 2 browsing centres. The Institution has provided at least one computer with internet connection to each department and also to the office staff. Students, Faculty members and members of the non- teaching staff get information

smoothly. (b).College website: www.gourmaha.org.in.- The College website has been beautifully designed with high- definition visuals by the experts under the guidance of ICT committee. The College Website is a primary means by which prospective students learn about Institution. Students, guardians and stakeholders gather information from college website and take decision regarding ward's admission. The text and images that appear on website provide students and guardians with their first and only institutional impressions, the messages the website conveys are incredibly important.gourmaha.org.in provides all in formations related to college history, vision ,mission, prospectus, online admission process, fees structure, intake capacity, faculty position ,non- teaching staff position, activities of the IQAC, Academic calendar, Syllabus, Question papers of the previous year, publications by faculty members, Departments, Faculty profile, Students feedback form and analysis, Teachers feedback form and analysis, Employers feedback form and analysis, Parents feedback form and analysis, Students satisfaction survey form and analysis, Alumni feedback form and analysis, Hostel accommodation, events, photo gallery, notice, magazine, service by Library, role of different committees, research activities, activities of career and counselling cell, N.S.S., games and sports, Stipend/scholarship, Gender Sensitization and Sexual Harassment prevention Cell, Anti-ragging committee, achievements in different fields and many others like results. With a website as sleekly designed, informative, interactive, and easy to navigate, its no surprise that GourMahavidyalaya has snagged one of the best spots for admission. (c).College App: The College has launched GourMahavidyalaya App on 28.5.2017. Best Practices-11-BEST PRACTICE: ANNEXURE-II Our environmental ethics is to make the College campus more sustainable and eco- friendly. A Green campus is a place where environmental friendly practices and education combine to promote sustainable and eco- friendly practices in the campus. Green campus is holistic aiming to make environmental awareness and to act as an intrinsic part of the life and ethos of the Institute. Green campus endeavours to extend learning beyond the class room to develop responsible attitudes and commitment both at home,village and college campus or in the wider community. Many Gardens have been developed:(1). Flower Garden(No.1):372"922".(2). Flower Garden(No.2):511"-517".(3). Flower Garden(No.3):508"- 119".(4). Flower Garden(No.4):385"-415".(5). Flower Garden(No.5).:237"-294".(6). Garden of Medicinal plants:669"-116".(7). Garden of Medicinal plants(No.2):610"-1189".(8).Garden in front of Library.(9). EX-situ conservation garden(NO.1).(10). Herbarium(NO.1)(11). Arboretum. Rain water harvesting plant and Solar power energy plant have been established. There is a pressing need to accelerate the development of advanced clean energy technologies in order to address the global challenges of energy security, climate change and sustainable development. In today's scenario solar power is one of the best solution to overcome the energy deficit in the World. The generation of solar power does not have any adverse effect on the environment. The plant provides substantial cost savings on the power consumption for the college. One of the biggest challenges of the 21st century is to overcome the growing water shortage. Rainwater harvesting has thus regained its importance as a valuable alternative or supplementary water resource. Green campus initiative helps to create environmental awareness. Students and teachers have shown responsible attitudes and commitment to the environmental enrichment. There are two NSS Units in the institution .A village named BHABUK under Old Malda block has been adopted by the NSS Units in order to uplift the condition of the marginalized people residing ther.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

distinctive to its vision, priority and thrust: Response: Being the premier Institution in semi-urban area dominated by S.C.,S.T. OBCB,and Minority students(52) the College has a particular mission of mainstreaming such of peripheral and marginalised sections of the society by empowering them through education, training and counselling. Forty percent of the total students of the college are girls who come from far flung villages. The vision of the college is to empower them through proper education and counselling so that they can fight gender bias in society and as conscious citizen of the country contribute in nation building. Quality education is impossible without innovative technology, because traditional methods are cumbersome and slow and the new generation requires high speed that can be achieved only through latest technology. There are virtual and smart class rooms. 49 faculty members have been using ICT in teaching and learning process. The College has provided at least one computer with internet connection to each department and office staff. Students and faculty members can access internet. Students have myriad opportunity to participate in seminars, project works, exhibition, debate and quiz competition, games and sports and outreach programme or extension activities. Seminars, special lectures and workshops are held regularly. One of the objectives is to develop the moral character of the students through community service and establish a linkage between the college campus and village community. The other objective is to implement service learning technique through community service. Community service programme provides a link between the college and the rural society. Service learning is a set of techniques and tools that can strengthen community relationship. Faculty members and students participate in outreach programme We promote extension activities with an aim to updating knowledge of the volunteers and keeping up a close and healthy relationship with the community. They have learnt how to utilize their knowledge in finding solution to individual and community problems. It has helped to develop skills in mobilizing community participation. This programme has helped to develop their moral character and civic responsibility. The extension activities are carried out through the following units: (1).Outreach programme committee.(2)N.S.S. unit-1(volunteers -100-Sri Rakesh Sarkar, Programme Officer)N.S.S. unit-11(Volunteers-100,Sri Arup Roy, Programme officer),(3).Beautification committee,(4).Eco- club.
