5.4 Alumni Engagement

5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services:

Response:

The Alumni Association of the College organises reunion, cultural programmes, Saraswati Puja, and Holi. The Alumnus participate in outreach programme, Yoga class and helps to organise sports. The Alumnus organize special lectures and seminars under the guidance of Dr.K.M.Mahata, Assistant Professor and Convener. Earlier the Association donated Glow Sign Board for the main gate. All the Alumnus participated in the Silver Jubilee celebration. Now, the Alumnus take decision concerning planning, designing, and implementing water supply schemes in the campus. Access to a clean drinking water supply is of fundamental importance from a public health perspective. There is increasing concern over demands on existing water supplies for growing student strength. The Association in its meeting resolved that a new water infrastructure is to be built with the help of experts. The Alumni Association offers suggestions for the improvement of our college.
