In our opinion, the accompanying financial statements of the entity are prepared, in all material respects, to give a "True & Fair View"

**Scope of Opinion**

The responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. to our Statutory Report on the accounts for the year ended 31<sup>st</sup> of march, 2017 of  
KRAHAVIDYALAYA, P.O. - MANGALBARI, Dist. - Malda, West Bengal\*, we hereby submit  
the separate report including the observations & suggestions:-

1. **In our opinion**, the accounts are maintained in conformity with the instructions given by the Director of Public Instructions.
2. **Basis of Accounting:** The Books of Accounts are prepared on Cash Basis and not on Accrual Basis.
3. **Income & Expenditure Account:** The Income & Expenditure account has not been prepared on accrual basis as the liabilities are not booked in the month of March for which payment is made in the month of April. As in case of P.F. liability has not been booked for the payment made in the month of April pertaining to March.
4. **Non-Compliance with "AS- 12 Accounting for Government Grants":** The requisite provisions of AS - 12 have not been complied with while accounting for Government Grants received by the college. Due to this, the Receipts & Payments Account do not reflect the true picture of actual profits.
5. **Packet Grants :-** The grants received from the director of Public Instructions West Bengal viz. Pay Packet Grants UGC grant have been properly utilized of the purpose for which they have been sanctioned.
6. **Effect of Non-Compliance with AS - 12:** - Provisions of accounting standard 12 "Government Grants" not followed by the college authorities while preparation of

Books of accounts. Due to non-compliance of the standard the Receipts & Payments A/c do not show a true picture of actual profit. Due to this, depreciation has been charged on the entire value of assets without taking into account the amount received for such assets in the form of Grants from Government. As a result of this, there are losses encountered each year in the form of excess depreciation.

- **No distinction between Grants of Capital and Revenue nature:** As the Grants received by the college comprise of both Revenue and Capital nature Grants, Revenue Grants should have been routed through Income and Expenditure account. However, this has not been followed by the College authorities while compiling their accounts though they have prepared a separate annexure for the same.
- **Unsatisfactory Ledger Entry Process:** Ledger entry process was not at satisfactory levels as the entries in the systems were not matched with the manual registers. There were differences in the opening and closing balances in the system, reason being, the closing balance after the audit is conducted and balances are certified, is not freezed in the books of accounts and the rectifications made by the auditors are not changed in the system. However, the same were found to be okay in the Receipts and Payments account prepared by the college authorities.
- **P.F. Account:** On checking of P.F., it was found that the balance as per Pay & Accounts was Rs. 1,46,55,424/- (as certified by the PAO) but amount as per P.F. Ledger in the Financial Statements is Rs. 1,45,22,624/-. There is a difference of Rs. 1,32,800/-. The difference persists as the liabilities were not booked for the month of March. The same has been booked in the next F.Y i.e. 2017-18.
- **Transmission of 50% Tuition Fee:** As per the norms, 50% of the tuition fees collected is to be transmitted to the government treasury quarterly. The above said transmission is done but not quarterly. There is a delay in submission in each quarter of the tuition fees so collected in that respective quarter.
- **Fixed Assets Register:** -There is no Register maintained in respect of fixed assets shown in the books. The physical verification of fixed asset is also not conducted by the college authorities which is advisable to be conducted on a yearly basis and a report shall be prepared accordingly pointing out discrepancies if any.
- **Depreciation:** On checking of depreciation, it was observed that the rate at which depreciation was charged on water filter was 10%. However, being in the Office equipment block, rate of depreciation that should be charged on water filter was 15% instead of 10%.

- 23. Cash verification:** As we have taken up the audit after the close of accounting year so we couldn't physically verify the Cash in Hand as on 31<sup>st</sup> of March, 2017 but we have relied on the physical counting of cash in hand by the Cashier as on 31<sup>st</sup> march 2017 in the presence of Accountant and Principal. However, a cash verification was conducted by us on the date of audit i.e. on 24<sup>th</sup> January, 2020 and found to be OK.
- 24. Bank balance Verification:** In respect of Account with UCO Bank, A/c No. 11140200030145, the college authorities stated that it is Inoperative but it has a balance of Rs. 56,851/- . In our opinion, if the account is inoperative then the balance shall be withdrawn and account should be closed. The state of account has been verified through bank statements.
- 25. Maintenance of Leave Registers:** Leave registers has been maintained but is not properly updated. No regular filling of data in such registers is being done.
- 26. Medical Leave:** In case of Medical leave, half of the total salary is paid for the no. of Medical leave taken (subject to maximum of 20 medical leaves). However, the college pays salary in full and deducts twice the no. of leave taken. (Subject to maximum of 10 Leaves). As in the case of Mr. Rishi Ghosh (Asst Professor). In cases where the total no. of leaves taken exceeds 10, then the salary is paid half of the total eligible salary.
- 27. Payment to Unapproved staff:** Payments are being made to unapproved staff in each month amounting to Rs 3,00,000/- approximately. The same has been verified with the help of staff list and salary paid to them. A separate annexure of unapproved staff has been attached with report.
- 28. TDS deduction on salary:** For the purpose of deduction of TDS (Form-16), Employees themselves declare the amount as per their working. No working is prepared by the college authorities for reconciling the amount so declared is correct or not.
- 29. GST Registration:** No GST registration (Registration taken with effect from 09/03/2019).

Subject to the above observations, in our opinion and to the best of our information and according to the explanations given to us, the accounts give the information required by the applicable laws in the manner so required and give a "True & Fair View" of the:-
