6.2.3 Implementation of e-governance in areas of operation

Gour Mahavidyalaya has put in place its electronic data management systems and electronic resources and has given access to internal and external stakeholders, particularly the student community. The College frequently updates its IT facilities including Wi-Fi. Ex-Students of the Department of Computer Science have designed the website. Members of the ICT committee handle all the uploading of data on the college website. The website was updated regularly by the ICT committee. There are 3 Computer Laboratories. The college has an adequate number of computers with internet connections. The Institution has 2 Generators, 2 Xerox machines, printers, a CCTV camera and an Audio system. Students and staff have equal opportunities to use these facilities as per the rules and the policies of the institution. The College has provided at least one computer with an internet connection to each department and office staff. Teachers, members of non-teaching staff and Students can access the internet. HARDWARE DOT.COM, agency, Mangalbari, Malda provides skilled technicians for maintenance. In this way, the College has institutionalized best practice and ensured quality education and dynamic administrative work. The ICT committee is monitoring the whole process.

Administration: The College has partly adopted ICT-enabled e-governance.

- The entire network of the Office has been connected to a single server under master administrative control. The College Office and the Department of Computer Science have been interconnected by LAN.
- The Institution has installed Gour Mahavidyalaya App and WhatsApp for general information.
- Online admission has been introduced since 2015. The feedback system has been introduced in the year 2019-20.
- The online Feedback system has been introduced in year 2019-20.
- Links for online meetings were generated through the Google Meet application.
- HRMS software-based online salary, P.F. transfer, and e-pension have been introduced.
- The Institution is partly covered by CCTV Surveillance System.
