2.3. Teaching- Learning Process:

2.3.1. Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences:

Answer: Yes, 19 Departments conduct various student centric activities throughout the year. The learning becomes more experiential, participatory and socialistic by organizing activities like Seminar/Workshop, Assignment, Student Seminar, Tour/Field visit and preparation of Project report, Exhibition, Quiz, Debates, and writing articles. Different committees organize cultural programme , and extension/outreach

activities. Our students actively participate in co-curricular activities.

1.EXPERIMENTAL LEARNING: One example of experiential learning is going to the zoo or factory or Yoga centre and learning through observation and interaction with the environment, as opposed to reading about animals, production system in a factory or practice of Yoga from a book. Thus, one makes discoveries and experiments with knowledge firsthand, instead of hearing or reading about others' experiences.

PRACTICAL : YOGA PRACTICE:18.04.2021)

2.Seminar/Workshop:Gour Mahavidyalaya Alumni Association organized a National level seminar on "Research Methodology". The basic objective is to bring together academicians and experts from different parts of the country and abroad to exchange knowledge and ideas. It provides an in-depth analysis of subjects and update the knowledge of the participants and students .Our Teachers and Students participated .
