Advanced learners and slow learners:

Catering to Student Diversity The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners:

Gour Mahavidyalaya , Mangalbari, Malda, has Assessment system of the students and special Programmes for advanced learners and slow learners.

After on line admission is over, Academic Council of Gour Mahavidyalaya fix the date of orientation programme in consultation with Coordinator of IQAC. All the Heads of 19 Departments convene meeting of Departmental Academic Council and chalk out a plan for teaching and learning.

Initially faculty members conduct orientation programme and interact with the students to ascertain their background, subject stream, medium of education, aptitude match for the current programme, subject combination, examination system and areas of their interest. Power point presentation is followed during orientation programme.

Faculty members use ICT tools during classes.

Moreover, each faculty during the class hours identifies the slow or advance learners by interacting with them and on the basis of % of marks obtained in the last examination.

During the course of time, a systematic evaluation process is used to assess the learning levels of the students. This evaluation process consist of written examination, open book test, group discussion and presentation, project report, practical examination with viva, written assignment, test and class performance.
