

**DEPARTMENT OF EDUCATION
GOUR MAHAVIDYALAYA
MENTOR-MENTEE COUNSELLING
ODD SEMESTER AND EVEN SEMESTER
2021-22**

Every year, following the college's admission and verification session, the total number of students would be divided among the teachers of the Department. As a result, each teacher in the department is required to mentor or counsel the students assigned to her or him regarding subject matter, competitive exams, or personal matters. Thus, aside from the Honors Subject, all the teachers mentor them with the competitive exams and keep them up to date on how to use new technology so that they can all use it to make learning more enjoyable and fruitful. Thus, we can state that the mentor-mentee counseling programme has a positive impact on education as a whole.
