## *Health checks up Camp Arranged by Food & Nutrition*

*Place: Teachers Common Room*

*Date: 05.01.2022*

The college has arranged health checkup camp free of cost on regular basis for the benefit of the students most of whom are economically not sound. However, the teachers and the non-teaching staff also avail the facility. Experienced doctors from nearby health centre/hospital visit the camp and go over the health problems and provide them necessary advice.
