### **MENTOR-MENTEE COUNSELLING**

#### **ODD & EVEN SEMESTER**

**2022-23**

Every year, following the college's admission and verification session, the total number of students would be divided among the teachers of the Department. As a result, each teacher in the department is required to mentor or counsel the students assigned to her or him regarding subject matter, competitive exams, or personal matters. Thus, aside from the Honours Subject, all the teachers mentor them with the competitive exams and keep them up to date on how to use new technology so that they can all use it to make learning more enjoyable and fruitful. Thus, we can state that the mentor-mentee counselling programme has a positive impact on education as a whole.

#### **Objectives of the programme:**

The Mentor-Mentee groups at the Arabic department aim to achieve the following goals:

1. Maintain an open and cordial environment between mentors and mentees.
2. To monitor, consult, guide, and motivate students with academic, personal, and professional difficulties.
3. Identify and support each students' abilities and interests in order to achieve their goals.
4. Provide professional advice to students on self-employment, entrepreneurship, and the importance of honesty and integrity for career advancement.
5. Assist students with professional growth, including goal setting, career choices, and higher education.
7. To advise them on their personal and academic problems.
