## **Outcome of MoU**

As part of the MoU between Gour Mahavidyalaya and Lokepara Mahavidyalaya faculty exchange program was organised which benefitted both the colleges given the fact of enormity of the syllabus and lack of sufficient number of faculty in the colleges concerned. The students also had an experience of different faculty teaching them. It is evident from their response that they enjoyed and loved the faculty exchange program. In future, we might think of student exchange program as well. Other departments may come up with their plan as well in future.
