REMEDIAL COACHING:

WHAT ARE REMEDIAL CLASSES?

Remedial classes effectively help in bridging the learning gaps that many learners face in their academic flight. These individualized sessions are designed to meet the individual needs of students who scuffle with certain subjects or concepts.

By centring on the aspects where a learner needs the most backing, remedial classes aim to strengthen their comprehending skills, ensuring they are at the same level with their peers. These classes are not only focus on re-iterating content; but also provide a supportive environment where students can rebuild confidence in their capabilities and attain academic success.

Remedial Classes Caters to:

- Students who have difficulty understanding certain academic concepts or subjects.
- Learners who have fallen behind their peers in specific areas of academics.
- Individuals who require additional support to grasp the standard curriculum.

Major Objective of Remedial Classes:

- To provide targeted, personalized instruction that addresses specific learning gaps.
- To enhance the academic confidence and performance of students who need extra help.
- To ensure that all students have a solid understanding of fundamental concepts, enabling them to progress successfully in their journey.
