

Action-Taken Report

GOUR MAHAVIDYALAYA

MANGALBARI, MALDA

DEPARTMENT OF MASS COMMUNICATION AND JOURNALISM

Academic Training on Geo-Tag Photo, Basic Photographic skills

DATE:- 1/03/2023

Program Initiated: Academic Training on Geo-Tag Photo & Basic Photographic Skills for Faculty Members of Gour Mahavidyalaya

The Department of Mass Communication & Journalism at Gour Mahavidyalaya conducted an academic training program on "Geo-Tag Photo & Basic Photographic Skills" for its faculty members. This report details the actions taken during the program and its outcomes.

Objectives:

Enhance faculty members' skills in capturing high-quality photographs for academic and research purposes.

Introduce the concept and application of geo-tagging photos for effective documentation and storytelling.

Foster a deeper understanding of visual communication principles relevant to teaching and research.

Target Audience:

The program was designed for all faculty members of Gour Mahaviryalaya.

**Activities:**

Workshop Design: Based on the needs assessment, a comprehensive workshop curriculum was developed.

Resource Person: A qualified professional with expertise in photography and geo-tagging was invited to conduct the training.

Training Sessions: The program included interactive sessions covering:

- Basic camera operation and techniques
- Composition and lighting for effective photos
- Introduction to photo editing software
- Geo-tagging principles and applications
- Hands-on practice exercises

Outcomes:

The training program successfully equipped faculty members with fundamental knowledge and skills in photography.

Participants gained an understanding of geo-tagging and its benefits for research and documentation purposes.

The program fostered a sense of confidence in faculty members to integrate photography into their teaching and research endeavours.

Attendance of the faculty members :
