About the lecture series:

A Seven-day special online lecture series on 'Women and Development' will be organised by the Department of Geography, Gour Mahavidyalaya, Malda in collaboration with the Department of Geography, University of Gour Banga (UGB), Malda. This lecture series will help as an alternative source of knowledge and study lessons for the paper VAC 2.4 of Semester II of FYUG (NEP-2020) syllabus under the University of Gour Banga. The primary motivation for organising this lecture series is the unavailability of study materials/books for the aforesaid paper in the regional language (Bengali) as it is newly introduced in the UG syllabus under UGB. We hope this lecture series will help the student of this paper a lot in their preparation for the semester-end examination and beyond.
