About Gour Mahavidyalaya

Gour Mahavidyalaya, situated on the left bank of Mahananda river where N.H.34 passes through Mangalbari, Old Malda, started its journey in the year 1985 (5.11.1985) to cater to the needs of the pupil, mainly of the locality, as well as those of this district and of entire North Bengal, in the field of higher education. Gour Mahavidyalaya, a premier institution for higher education of Old Malda constituency, has been trying continuously to free people from ignorance, superstition and many wrong ideas on the one hand and empower the students to earn a decent living on the other. The college, which started with Humanities and Social Sciences, had only 35 students at the initial stage. As the days rolled on, the number of students increased and the college morphed into a leading academic institute of the district. The college is affiliated to the University of Gour Banga erst while to the University of North Bengal. It was recognized as per UGC 2f and 12b in the year 1992. The college has only day shift operating from 10.00 am. to 6.00 p.m. Now, with Honours in 18 subjects in Arts & Science, Pass course in Physical Education, self-financed course in BCA and B.Voc. The college boasts of satisfying the needs of more than six thousand students today. We are glad to inform that the college recently completed the second cycle of NAAC securing B+ (the highest rank in Malda district) and we resolve to carry forward the momentum for further development of the college.

Principal's Message

Dr. Ashim Kumar Sarkar
Principal

“A Vision is not just a picture of what could be; instead it is an appeal to our better selves and a call to become something more”. “While educating the minds of our youth, we must not forget to educate their heart”- **Dalai Lama**

Education plays a key role in the overall development of the society. The role of education is definitely not limited to giving and grasping knowledge and theory. The true goal of education transcends much beyond just awarding degree and certificate to the students. As Mahatma Gandhi said, "By Education I mean an all-round drawing out of the best in child and man-body, mind and spirit". The ultimate goal of education is the discovery of the meaning of life and the fulfilment of life and all mankind as well as for oneself. The quest of education is knowledge, humanity, culture, wisdom and sharpness but it should be noted that knowledge is not given but earned and character is not granted but cultivated.

Gour Mahavidyalaya not only focuses on the theoretical curriculum, but also help in the development of a student personality, extra-curricular activities and over all perspective. Everything that makes a good institution are - a highly trained faculty, rich library, placement division, teaching methods, liberty to think and express themselves - we have it here.

The objective of higher education in rural area is associated with employment as it ensures a positive attitude to see the universe from better angle and to analyse, determine and apply an individual's idea in a constructive development of society. I firmly believe that our Gour Mahavidyalaya is more than just a place to learn. It gives you a chance to grow by equipping with everything you need to achieve excellence. At Gour Mahavidyalaya, we ensure

SECTION 2: IMPORTANT GUIDELINES AND INFORMATION FOR ATTENDANCE

Admission General Guideline

1. 1st year admission of Undergraduate Programme in Gour Mahavidyalaya for academic session 2023-2024 will commence through **Admission Portal** of our Web site. Portal link will be given in due course.
2. Candidates seeking admission must have to secure the qualifying pass marks including English at the Higher Secondary (H.S.), or its equivalent Examination.
3. During admission, the marks of the best **four** subjects at the Higher Secondary (H.S.), or its equivalent Examination will be considered. These four best subjects must include **English**.
4. Students who have passed the Higher Secondary (10+2) Examinations in the current year, immediate previous year and the year before the previous year, **i.e., 2023, 2022, and 2021** will only be allowed to take admission.
5. To know more about the Merit Marks Calculations, Tie Breaking Rule and detailed subject seat matrix, on our College Web site.

Minimum eligibility criteria:

(i) 4-Year UG Degree (Honours / Honours with Research): A student who has passed the Higher Secondary (10+2) Examination held by the West Bengal Council of Higher Secondary Education or its equivalent Examination from other Boards / Councils with at least four subjects having English as Compulsory Subject of 100 marks is eligible to take admission to the Honours Programmes of Studies of B.A./B.Sc./B.Com./B.C.A. on the basis of merit and available vacancy of the particular subject(s) of the concerned college.

(ii) 3-Year UG Degree: A student who has passed the Higher Secondary (10+2) Examination held by the West Bengal Council of Higher Secondary Education or its equivalent Examination from other Boards/Councils with at least four subjects having English as Compulsory Subject of 100 marks is eligible to take admission to the General Programmes of Studies of B.A./B.Sc./B.Com., on the basis of merit and available vacancy of the particular subject(s) of the concerned college.

(iii) A student who has passed Higher Secondary (10+2) examinations (with English as a subject) of the West Bengal State Council of Technical & Vocational Education and Skill Development or any equivalent Courses from National or State Level Board in regular mode shall be eligible to take admission to the 3-Year UG Degree Programme only.

(iv) NRI: In case of any NRI applicant the College Authority should seek permission from the University Authority as well as from appropriate Authority.

(v) Students who have passed the Higher Secondary (10+2) Examinations in the current year, immediate previous year and the year before the previous year will only be allowed to take admission.

(vi) Aggregate marks shall be calculated by adding the marks in top-four subjects, including Marks obtained in English, in order of marks secured by a candidate. Marks obtained in Compulsory Environmental Studies (if any) shall not be taken into account for calculation of aggregate marks.

The selection criteria and merit will be prepared as per the provisions of the University. The Merit Point Calculation will be done as follows:

a) Subject to the eligibility criteria, the merit lists for the 4-Year UG Degree (Honours / Honours with Research) Courses will be prepared as:

$$\mathbf{i) \quad (S+T)/4}$$

[Where S = Subject marks (opted for Honours Course) and T = Marks obtained in English + best marks of two other subjects].

ii) In case, any candidate opts for an Honours Course beyond his/her subject combination [except linguistic subjects at H.S. (10+2) level], the merit point will be calculated as: $\mathbf{T_1/4}$.

[Where T = Marks obtained in English + best marks of three other subjects (excluding English)].

b) Subject to the eligibility criteria, the merit lists for the 3-Year UG Degree Course will be prepared as:

$$\mathbf{T_1/4}$$

[Where T, = Marks obtained in English + best marks of three other subjects (excluding English)].

(vii) Special conditions for admission: A student shall be allowed to take up a subject in any Programme if he /she have passed in that subject at the qualifying examination. However, a student shall be allowed to take up the subject(s) under Column 'A' if he /she have passed the subject(s) under Column 'B' at the qualifying examination

❖ **Applications from the candidates passed through Distance mode of Education will NOT be entertained.**

DEPARTMENTS

Bengali

The Bengali Department of Gour Mahavidyalaya started its journey in 1985. Then only undergraduate general subjects were taught. In 1992, the Honours course in Bengali was started. The department has its own smart classroom, own purified drinking water system, departmental library, regular wall paper 'Bakulbeethi'. Students can avail Wi-Fi facilities and extra-curricular courses such as ADD-ON COURSE. The students of the department almost get places in university examinations.

English

The department of English started its journey with the college in 1985 and today it has morphed into one of the most sought after centers for students wanting to study English Literature in the District. It has one Smart class room with audio-visual facilities, one Language Lab for English Language Teaching, one well-furnished office room etc. We are aware that most of our students come from the rural areas and we are committed to help them nurture their critical appreciation of literary and cultural issues and guide their intellectual journey.

Mass Communication and Journalism

Started in the year 2009, the department is named mass communication and journalism. The journey begins with only one faculty and very few students. As because this field (professional) was not familiar to the students so the number was less in the beginning. But with the passing time in the year 2010 the number of students also increased. They slowly got familiar with this professional field. Our aims was and always is to produce good amount of students in various professional fields.

NSS UNITS:

NSS wing offering the students of our college is a very relevant training in social services. Students of the college have always shown immense exertion for taking care of the environment, developing awareness and wipe out savage superstitions from the common people. The tradition of selfless service to the society is upheld very effectively by a group of noble-hearted young souls as a great legacy from their predecessors. The integrated development work in rural areas is carried out by two NSS units.

Unit-I (Programme Officer **Sri Rakesh Sarkar**).

Unit-II (Programme Officer **Sri Arap Kr Roy**).

NSS Units are working in close collaboration with NGOs. The flood relief camp and associated activities of NSS unit-II in 2017 was instrumental in providing relief to the affected remote areas of Malda district. These NSS units is continuously organised Blood donation camp in collaboration with various departments of the college. These NSS units of the college is going to adopt village as part of its community development programme.
