Incubation (Recitation) Activities Report

Session 2018-19 to 2022-23

Recitation is included in the Under Graduate Syllabus of Gourbanga University. As a result, general students get an opportunity to learn recitation. Apart from the teachers of the department, recitation classes are arranged for the students by bringing reciting artists from outside. As a result, after passing out the students can acquire a clear knowledge about the art of reciting. They can take up recitation as a profession. Students themselves can become self-reliant by opening recitation practice centers.
