Action taken Report on Mentor Mentee Activity

Session 2019-2020

Mentor mentee group division is done properly. With a maximum of 20-25 students under one teacher, the mentor is able to focus more on the mentees. Mentors have been able to advise mentees on academic matters as well as empathize with personal problems. Mentor has taken various steps to develop literary understanding outside of studies. Like taking mentees to book fairs, museums, online classes etc. But when the college was closed due to Corona from the last week of March, the students faced special difficulties. Increasingly online methods are becoming known. Mentor-mentee activity then resumes.
