Agenda-1 Review of the report of the feedback of 2018-19.

① After going through the feedback given by students it was found that students are satisfied with academic environment and discipline, games, sports facilities and online admission. It also appears from analysis that the Centre and the placement cell should be up grade in the coming years. They also mention that the college should introduce job oriented courses so that every student can benefit from this programme.

② Students have some suggestions for better service of library. Gour Mahavidyalaya library system comprise of a Central

Library and a departmental libraries that consistently support the teaching, research and extension programmes of the Institute. The central library houses a total collection of over 27,000 books, journals, periodicals and serials. INFLIBNET facility with online journals from Taylor and Francis group and journals are available. At present students and faculty members cannot access resource on the internet either via PC or through library server. Students requested to introduce open reference and text book library so that every student has an access and afford and covered by subjects and authors. Open textbooks are textbooks that have been printed, revised, and licensed to be freely used, copied, and distributed. These books can be downloaded for no cost, or printed at low cost.

③ It appears from analysis that students are satisfied with supply of cost saving water. They, however, requested to take necessary steps for cleaning the water reservoir regularly. The authority has sanctioned Rs. 15,000/- to complete cleaning work. The work was done under the guidance of the office staff.

④ They requested to introduce NCC. They mention that class tests are held regularly.

⑤ It cannot be denied that there is a dearth of class rooms. Students demand that more class rooms are needed so that they can attend more classes. All these issues should be placed before the concerned authority.

After going through the food book given by Aluami it was found that the cartoon

and the placement cell should be up started in the coming year. They also mentioned that the college should introduce job oriented course so that every student can benefit from his programme. All these issues should be placed before the concerned authority.

After going through the feedback given by faculty members of the college and the staff with interest with academic environment, discipline and course admission. Faculty members agreed college provide adequate opportunities and support to faculty for expanding their skills and qualifications. The administration is leader faculty and staff holders in the college are adequate and satisfactory. Faculty members also strongly mentioned that the college has given enough facilities to adopt new techniques/strategies of teaching such as group discussions, seminar presentations and small section participation. It is felt there is no specific provision college contains for students. All these issues should be placed before the concerned authority.

We have collected 10 feedback forms from different (Deptt.) Faculty members of the Department covered meetings with principals after going through the feedback given by faculty members it has found that there is a need with academic environment, also give online admission different facilities and services provided by the office staff. They mentioned that the college should introduce job oriented courses so that every student can benefit from his programme. It may be noted that we have been trying to introduce job-oriented courses since 2017.

7. SAC and Pedagogical Review Committee have
accepted the report entitled "Students & Professor
Survey" prepared by NAAC & UCC. This survey
has been conducted in college. Institute (where you
were one of the SAC) members of the 1997
and Pedagogical Review Committee have collected
100 sets of data from

① 20% students agreed that 75 to 100% of syllabus
was completed in due course. 20% students
mentioned that 70 to 80% of syllabus was
covered during the session by faculty members.
It seems to be that 20% students did not
attend classes regularly due to some reasons
or their own problems.

② 20% students admitted that faculty members
prepared for classes and delivered topics
thoroughly. 15% students mentioned that they do
not like teaching this subject.

③ 20% students agreed that teachers communi-
cative while teaching effectively. 20% students
said of opinion that teachers communicative
but not satisfactory.

④ 20% students mentioned that the teachers
approach to teaching was excellent. It may be
mentioned that faculty members of Geography, History,
Political Science, Zoology, Botany, Computer Science,
Mathematics and Hindi and other subjects were
not listed. It may be noted that most of the subjects
and their contents have accepted in teaching.

⑤ 10% students admitted that the internal
evaluation was always fair.

⑥ 10% students of the Department of
Geography, History, Sociology and Political
Science agreed that every time faculty
members discussed about assignments.
