Recitation can be important for students in a variety of ways, including:

1. Applying knowledge
2. Getting feedback
3. Building rhetorical skills
4. Challenging fear of public speaking
5. Building relationships with instructors

OBHIMANI AKASH  
JOYKISHOR

হে অভিমান্য আকাশ..তুমি ঝরে পড় মোর প্রাণের পর  
জাগিয়ে তোলো মত ভেতরে থাকা সুপ্ত বাসোনাখানি ।  
এ মন যে ভিজতে চাই তোমার ঐ ঝরে পড়া মধুর অমৃতের ছোঁয়ায়  
মেঘের ওপারে অনিদ্রার দেশে তুমি এসেছিলে স্বপ্নের মত হয়ে,  
ভেবেছিলাম হয়তো রৌদ্রময় চলে গেলে মুক্ত প্রাণে মিলবে সুখ।  
শুনেছিলাম না কি মন খারাপের দিনে আকাশ থেকেও ঝরে পড়ে মেঘদল  
কিন্তু কই! তোমার দেখা তো পাইনি,  
তোমার পানে চেয়ে থেকেছি সারাক্ষণ  
ডুবে ডুবে বৃষ্টির জলে ভিজতে চেয়েছে মন।  
বোঝাতে পারিনি এ মনকে যে তুমি করেছো অভিমান  
হে অভিমান্য আকাশ মানুষ কেনো তোমার মতো আমার অভিমান বোঝেনা ?  
আকাশ ভেঙে বৃষ্টি যখন আসে , নিজেকে তখন ভেজাতে কিষে ভালো লাগে  
ঘন কালো মেঘ আর এক পশলা বৃষ্টি, জীবন সুন্দর !  
ফসিলের নীরবতা হে আকাশ , বৃষ্টি আসার আবেদন তোমায়

শিক্ষার নামে প্রহসন চলে ,  
বেকার হাত দুটি শূন্য তলে ।  
রাজনীতি শুধু ক্ষমতার খেলা ,  
দুর্নীতির ছায়ায় আর্ধাঁরের মেলা ।

স্বপ্ন মরে, ভেঙে যায় আশা,  
প্রতিদিন বাঁচা যেন এক পঁাপের ভাষা ।  
জাগো , এবার প্রতিবাদ তোলো ,  
অন্যায়ের বাঁধন নিজেই ভাঙ্গো।

আলোর পথে চলবে যদি দেশ ,  
সত্যের কণ্ঠে উঠুক শেষ ।  
নতুন ইতিহাস গড় হাতে,  
ন্যায়ের পতাকা উড়ুক প্রাতে

CLOSED DOOR

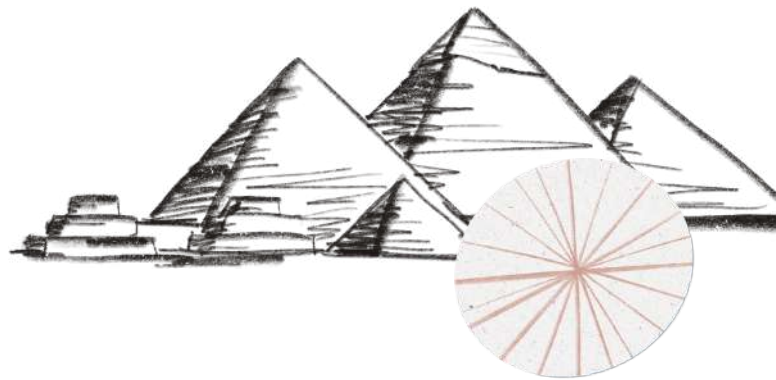

BARSHAN SARKAR

The night is deep and big  
A glimpse of calm blue light

How many shadows are standing  
in front of me

And the door is closed

Those shadows are running towards me  
A chill ran down my spine  
It was midnight  
The door is closed and I am alone  
Suddenly it was morning

### CHOICE

ANANYA RISHI

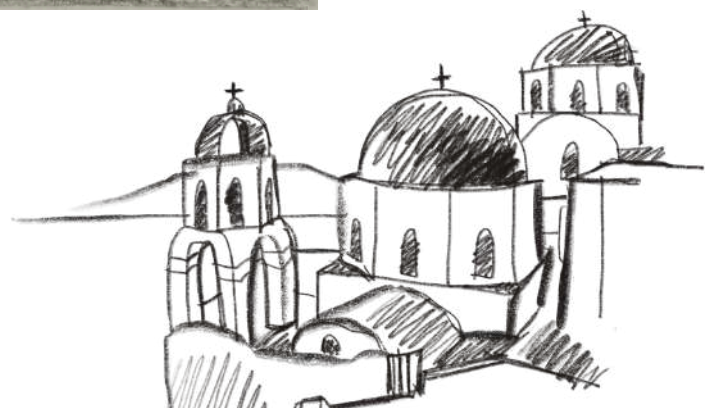

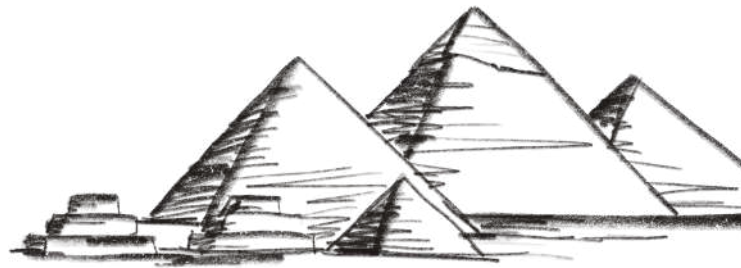

Once upon a time there was a little princess of a huge kingdom with a desire to make a pretty doll house, to fulfil this wish of the daughter the King did his best to create a most precious doll house. But after taking a look on that house she was disappointed, her expectations couldn't make the house perfect. Growing up, she felt unlucky, believing she never received what she truly wanted. Thinking about this she was roaming in her kingdom quite places, suddenly her eyes caught a radiant smile in dhobi running after a cow joyfully. She looked at the boy and thought may be he is the most happiest person in the world. Wondering about his identity She curiously went to the boy and asked him "Are you that happy with this cow?.....Who are you?". Hearing this question he replied with a quite smile "Yes..... I'm happy, I'm son of a cow-herd chief". Surprised, she wondered how he could be so content, so she asked him again "it seems that you don't have any problems in your life". He smiled again and said "about this answer..... do you really want to know?". As she nodded in reply to him he started "as I told you my father is a cow-herd chief and my mother is very kind and loveable but they are not my real parents, my real parents are in jail, imprisoned by my own mama, who tries to kill me since my birth that's the reason I was separated from my own mother's love after my arrival on this earth, but I'm happy, I have the most loveable and adorable parents, friends, neighbours who love me, I have the most beautiful time and memory with them also, I'm happy". Amazed princess asked "You're happy despite all that?" He replied, "Happiness isn't about fulfilling desires. It's about appreciating what you have." he completed his sentence with his sweet smile. So, Choice is yours .....what do you choose..... **you are gonna be happy or you are happy?**
