: INTRODUCTION:

Education is meant not only to nurture the excellence already in a gifted person but also to uplift the not-so-gifted, so that he / she is equipped to safeguard his / her interests in independent democratic India. The Constitution of India recognizes the SCs and STs as the two most backward groups needing special protection. Further, democracy demands the necessity to protect and foster the interests and needs of the minority groups. In order to enable students belonging to SC / ST / OBC (non-creamy layer) / Minority communities, who need remedial coaching to come up to the Level necessary for pursuing higher studies efficiently and to reduce their failure and drop-out rate. Students belonging to Other Backward Classes and General Candidates may also be allowed the benefit of such coaching classes.

Remedial Coaching is to be organized at Undergraduate / Postgraduate level with a view to i. improving academic skills and linguistic proficiency of the students in various subjects. ii. raising their level of comprehension of basic subjects to provide a stronger foundation for further academic work. iii. strengthening

their knowledge, skills and attitudes in such subjects, where quantitative and qualitative techniques and laboratory activities are involved so that proper guidance and training provided under the programme may enable the students to come up to the level necessary for pursuing higher studies efficiently. The well-being and development of the Scheduled Castes (SC), Scheduled Tribes (ST), OBC (non-creamy layer) and Minorities are important indicators of the strength and success of a democratic society. Specific provisions have been made to improve the status of these groups, socially and educationally, so that they can take their rightful place in society. Representation of the groups in All India / State / Provincial Services and equivalent positions in the private sector is an indicator of how far the country has been successful to equip them so that they are in a position to safeguard their own interests. In order to prepare students belonging to SC / ST/ OBC (non-creamy layer) and Minority communities to get gainful employment in Central and other services mentioned above.

: OBJECTIVES:

The basic objective of the coaching scheme is to prepare students belonging to SC / ST/ OBC (non-creamy layer) and Minority communities to get gainful employment in Group 'A', 'B' or 'C' Central services, State services or equivalent positions in the private sector. The coaching under the scheme should be oriented for particular examinations conducted for selection to services, such as the IAS, State Public Services, Bank recruitment, etc. The coaching may be focused, taking into consideration the specific requirements of a particular competitive examination. The College may develop an Employment Information Cell for providing information about various competitive examinations in the area of its operation. The students belonging to economically weaker sections and physically challenged students may also avail of this facility. Applications may be sought by advertising in a local daily so as to cover students outside the college rolls. Coaching may be organised by dividing the candidates into groups of not more than twenty five students.

The Coordinator of the programme will supervise the work under the scheme at the institutional level. Separate registers may be maintained for different subjects. The Coordinator, at the end of the third year of the programme, will submit, through the Principal, an appraisal report, indicating the performance of each candidate.
